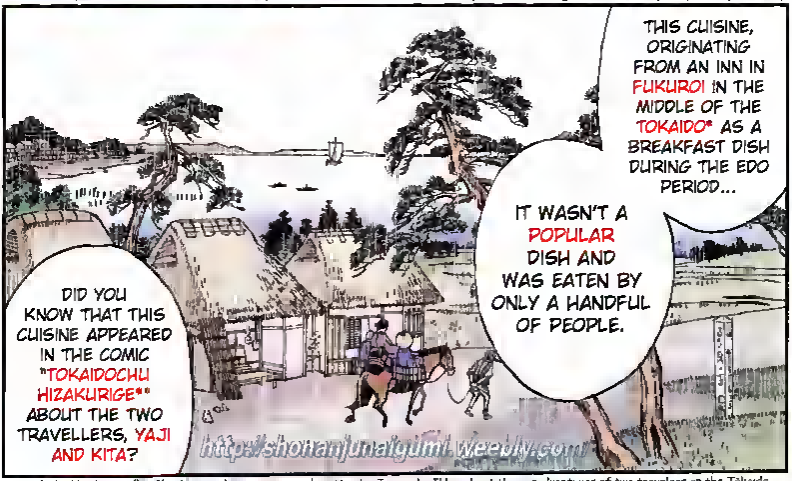
FLUFFY EGG IS A CUISINE THAT DATES BACK IN HISTORY.
AND WHAT KIND OF DISH IS THIS? LOOKS LIKE FLUFFY EGG.
FUWA-FUWAKO, HUH?
クス・クス
THAT'S RIGHT.

*The Tokaido (lit. East Sea Road) was the most important of the Five Routes of the Edo period, connecting Edo (modern day Tokyo) to Kyoto in Japan.



THIS CUISINE, ORIGINATING FROM AN INN IN FUKUROI IN THE MIDDLE OF THE TOKAIDO* AS A BREAKFAST DISH DURING THE EDO PERIOD...
IT WASN'T A POPULAR DISH AND WAS EATEN BY ONLY A HANDFUL OF PEOPLE.
DID YOU KNOW THAT THIS CUISINE APPEARED IN THE COMIC "TOKAIDOCHU HIZAKURIGE"* ABOUT THE TWO TRAVELLERS, YAJI AND KITA?

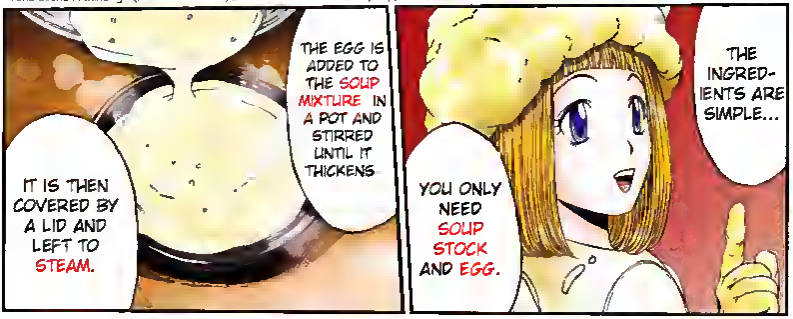
*Tokaidochu Hizakurige (lit. Shank's mare) is a comic novel written by Jippensha Ikku about the misadventures of two travelers on the Tōkaidō



THE EGG IS ADDED TO THE SOUP MIXTURE IN A POT AND STIRRED UNTIL IT THICKENS
IT IS THEN COVERED BY A LID AND LEFT TO STEAM.
THE INGRED-IENTS ARE SIMPLE...
YOU ONLY NEED SOUP STOCK AND EGG.

AS THE NAME SUGGESTS, IT HAS A FLUFFY TEXTURE...
IT HAS A LIGHT EGG TASTE AND THE BROTH MELTS IN YOUR MOUTH, SIMILAR TO A SOUFFLE...
IT'S AN AMAZING DISH THAT HAS A DISTINCT FLAVOUR.

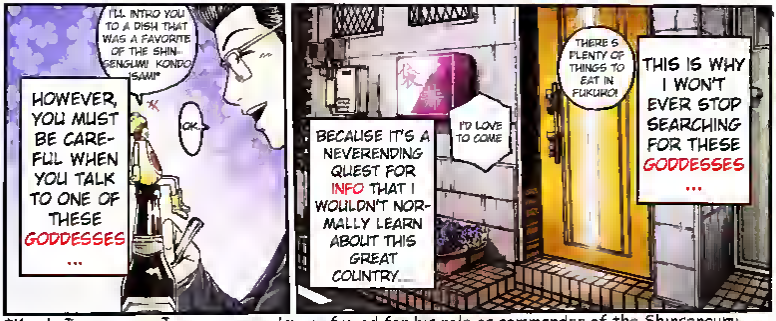
AFTER YOU FINISH YOUR MEAL, I CAN SHOW YOU SOME PLACES FOR DESSERT IF YOU LIKE?
THAT'LL BE GREAT!



I'LL INTRO YOU TO A DISH THAT WAS A FAVORITE OF THE SHIN-SENGUMI KONDO ISAMI*
